7561 BAJA 5T-1 TRUCK CLEAR BODY (TRIMMED)

This body comes with window masks, 4 giant pre-cut vinyl decal sheets, rear spoiler with hardware, body mount washers, body pins and the body comes pre-cut.

86690 Aluminum Tuned Pipe Set (polished/Baja 5T)

MORE POWER! This aluminum tuned pipe set delivers more power and quicker throttle response than the stock muffler. Large diameter aluminum header tubing flows smoothly into an expansion pipe that directs the exhaust cleanly out the back of the truck. The stinger design is optimized for a perfect fit in the Baja 5T rear cage. The sound is louder than stock and tuned to sound like a 2-stroke motorcycle engine for realistic performance. The Tuned Pipe Set comes with everything you need, just bolt it on and feel the difference!

87402 Front Arm Brace Set (woven graphite/Baja 5T)

Woven graphite options for the Baja 5T off-road buggy not only look amazing, they strengthen and lighten your Baja 5T as well!

87405 Rear Arm Brace Set (woven graphite/Baja 5T)

Woven graphite options for the Baja 5T off-road buggy not only look amazing, they strengthen and lighten your Baja 5T as well!
