

We offer a wide range of option parts to maximize the speed and performance of the E-Firestorm 10T Flux. Visit our website for a complete list of parts at www.hpiracing.com

86831 Aluminum Front Suspension Arm Mount

Constructed of ultra tough aluminum and hard anodized for great looks and even greater toughness!

86832 Aluminum Front Arm Brace

Constructed of ultra tough aluminum and hard anodized for extra toughness, this is just the part to keep your E-Firestorm Flux bashing long after the competition has given up.

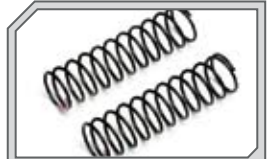

87256 ALUMINUM REAR HUB CARRIER SET (0 Degree)

Increase the durability of your truck with our Aluminum Rear Hub Carriers! Precision machined from billet 7075 aluminum and hard anodized for extra strength and great looks.

87251 ALUMINIUM THREADED SHOCK SET (67-87mm/2pcs)
87252 ALUMINIUM THREADED SHOCK SET (70-103mm/2pcs)

These tough, precision-machined aluminum shocks are perfect for anyone who's headed out for competition!

Tune your E-Firestorm Flux! These tuning springs allow you to get the performance you need for maximum on-track performance!

86914 13x5x1.1mm 12coils (3.0lb, Pink)
86915 13x5x1.1mm 13coils (2.7lb, Silver)
86916 13x5x1.1mm 14.5coils (2.4lb, Blue)

100408 COMPOSITE FRONT SUSPENSION ARM SET

Long-fiber composite strands are used for extra reinforcement, making them significantly stiffer than the stock nylon parts for quicker and more accurate suspension response.

100409 COMPOSITE REAR SUSPENSION ARM SET

Long-fiber composite strands are used for extra reinforcement, making them significantly stiffer than the stock nylon parts for quicker and more accurate suspension response.

100605 UNIVERSAL DRIVE SHAFT SET
Universal Dogbones offer more efficient transfer of power to the wheels for quicker acceleration and smoother suspension movement. They are machined from tough high strength steel for extra durability, and fully rebuildable for a longer lifespan.

Optional Pinion Gears
6917 Pinion Gear 17 Tooth (48 PITCH)
6918 Pinion Gear 18 Tooth (48 PITCH)
6919 Pinion Gear 19 Tooth (48 PITCH)
6920 Pinion Gear 20 Tooth (48 PITCH)
6921 Pinion Gear 21 Tooth (48 PITCH)

86300 ALUMINUM HEX HUB CLAMP TYPE 12mm (PURPLE/4pcs)

100573 CASTLE LINK USB PROGRAMMING KIT

Tune your HPI Flux ESC through your Windows PC! You can adjust brake / reverse settings, battery cut-off voltage and motor type, throttle 'punch' control, drag brake, motor timing and more!

86837 ALUMINUM THREADED SHOCK BODY (67-87mm/2pcs)

Precision machined from high quality aluminum and hard anodized to a tough and ultra fine finish, these shock bodies will smooth out any jump you throw at your E-Firestorm Flux!

86838 ALUMINUM THREADED SHOCK BODY (70-103mm/2pcs)

Precision machined from high quality aluminum and hard anodized to a tough and ultra fine finish, these shock bodies will smooth out any jump you throw at your E-Firestorm Flux!

86839 ALUMINUM PRELOAD COLLAR 13mm (4sets)

HPI genuine spare part for E-Firestorm 10T Flux aluminum shock sets.

86840 ALUMINUM SHOCK CAP (2pcs)

HPI genuine spare part for E-Firestorm 10T Flux aluminum shock sets.

86841 ALUMINUM BOTTOM SHOCK CAP (2pcs)

HPI genuine spare part for E-Firestorm 10T Flux aluminum shock sets.

86842 TITANIUM NITRIDE COATED SHOCK SHAFT 3x50mm (2pcs)

Titanium nitride coatings help prevent corrosion and substantially improve the smoothness of the shafts, helping you reduce your maintenance times as well as the lifetime of the shafts!

86843 TITANIUM NITRIDE COATED SHOCK SHAFT 3x58mm (2pcs)

Titanium nitride coatings help prevent corrosion and substantially improve the smoothness of the shafts, helping you reduce your maintenance times as well as the lifetime of the shafts!

86844 TITANIUM NITRIDE STEERING POST 3x23mm (2pcs)

Prep your E-Firestorm for the roughest conditions with Titanium Nitride Steering Posts! Titanium nitride coatings help prevent corrosion and substantially improve the smoothness of the shafts.

86845 Titanium Nitride Suspension Shaft 3x32mm (2pcs)

These titanium nitride coated shafts are stronger than standard steel pins for added durability and reduced friction, providing smoother suspension movement for faster lap times.

86846 Titanium Nitride Suspension Shaft 3x27mm (2pcs)

Titanium nitride coatings help prevent corrosion and substantially improve the smoothness of the shafts, helping you reduce your maintenance times as well as the lifetime of the shafts!

86847 Titanium Nitride Suspension Shaft 3x54mm (2pcs)

Titanium nitride coatings help prevent corrosion and substantially improve the smoothness of the shafts, helping you reduce your maintenance times as well as the lifetime of the shafts!

86848 Titanium Nitride Suspension Shaft 3x33mm (2pcs)

Titanium nitride coatings help prevent corrosion and substantially improve the smoothness of the shafts, helping you reduce your maintenance times as well as the lifetime of the shafts!

4411 GROUND ASSAULT TIRE S COMPOUND (2.2in/2pcs)

Ground Assault tires feature square pins for durability and high grip. The rounded contour allows consistent traction on uneven surfaces, high grip in the corners, and low resistance on straights.

4412 SAND THROWER TIRE D COMPOUND (2.2in/2pcs)

Now you can take any 2.2-inch wheel equipped vehicle to the dunes and throw huge loads of sand just like the real sand rails!

4457 SAND RUNNER TIRE D COMPOUND (2.2in/2pcs)

Molded in HPI's exclusive D Compound, Sand Runner front tires have a major rib down the center to cut through the sand for stable steering.

4860 Dirt Bonz Tire S Compound (57x50mm 2.2in / 2pcs)

Enjoy the decreased rotational weight and reinforced sidewall construction of these serious dirt grippers! They also deliver quicker acceleration, more traction and sharper cornering.

Z056 TITANIUM TP BINDER HEAD SCREW M3 x8mm (HEX / 5pcs)

Z678 ALUMINUM THIN LOCK NUT M4 (PURPLE/5pcs)

Z679 WHEEL NUT M4 (PURPLE/5pcs)
